FEBRUARY 2017

Appointment of Leon Greyling as MD of Investment Solutions

Alexander Forbes Group Holdings Ltd is pleased to announce the appointment of Leon Greyling to the position of Managing Director effective 14 March 2017. Leon brings with him a wealth of experience specifically within the asset management and client solutions arena.

Leon's career spans 22 years. He joins from MMI Holdings where he was heading up their investment efforts in the Corporate and Public Sector markets. Prior to this, he was Managing Executive of the Corporate and Public Sector Channels of MMI, and CEO of Momentum Outcome-based Solutions and Momentum Alternative Investments, both investment businesses with MMI. He also served on the board of MMI's UK-based subsidiary Momentum Global Investment Management. Previously, he served as Deputy Chief Executive Officer and Head of Johannesburg Office for Sygnia Asset Management. Leon is no stranger to the Alexander Forbes Group, he began his career at Alexander Forbes where he held successive senior appointments including Head of Alexander Forbes Asset Consultants and Executive Director of Investment Solutions.

Leon takes over from Derrick Msibi, who after 8 years has decided to pursue opportunities outside of the Group. We thank Derrick for the significant contribution he has made on behalf of our clients over the last eight years and we wish him the very best in his new endeavours.
